

## Achievement Monitoring in Class XP

1. You must do WEEKLY.
2. You do NOT have to enter anything if everyone is passing.
3. THANK you for your help in monitoring student achievement.

<p>1 While in your attendance screen, click on performance located on the top menu bar and highlight grades</p>	
<p>2 Click the progress button to launch the Progress atom</p>	

3. In the **Mark** box, use the drop down menu to select the grade. When you have finished, click the close button. If you are done, make sure you close the class by going to class-close.
