

The Scholarships listed below can be found in Naviance. This is the busiest time of year for scholarships. We have MANY PHS scholarships in addition to multiple local scholarships as well. Scholarships that are active will have "2016-2017" included in the description. Watch deadlines carefully as many indicate the DUE date rather than a POSTMARK date. If you see last year's school year, this is an indicator that we have not yet received this years application. Do not fill the old one out in the event that information has changed. Rather, keep that scholarship in mind and check back at a later time.
