Preparing Parents for Prospect

April 5, 2018
Presented By Your:
PHS Administration & Teacher-Parent Council
Preparing Parents for Prospect

April 5, 2018
Presented By Your:
PHS Administration & Teacher-Parent Council
You are a Knight.
And you live by a code. Where we all are equals.
Responsible for our actions. Respectful to each other. You are a Knight.

The blade you wield is intellect.
Technology your spear. Your armor is the classroom.
Where mentors share their wisdom to shape

The guardians of tomorrow.
You are a Knight. Your enemies are great. Injustice. Ignorance. Intolerance. Fear.
But your allies are greater. Friends. Family. Faculty.
Their passion and positivity fuel your quest. And ensure your victory.

You are a Knight.
One of a kind. One of many. A proud member of the community.
A proud student at Prospect High School. This is your kingdom. Go forth and conquer.
Agenda For Tonight

6:30 - Presentation
7:40 - Tours given by student leaders

Teacher Parent Council and PHS Administrators are here so you can leave with more information that confirms our commitment to your student's PHS Education

Parent Organization:
$20 Dues paid at Registration

Student Core Experiences Philosophy

- Engage in a rigorous curriculum that is appropriate for the student's ability level and maturity.
- Create a post secondary plan and explore interests through elective coursework.
- Participate in an extracurricular activity.
- Develop socio-emotional skills, resiliency, and an ability to self-advocate.
- Discover a passion or talent and build upon it.
- Connect with peers, teachers, support staff, coaches and sponsors, and school leadership team.

Redefining Ready!

College and Career Readiness for Life Beyond High School

Students are more than just the number they earn on a standardized test. Our network of high schools strives to provide students with rigorous academic programs, personalized and career-specific learning experiences and socio-emotional skills that prepare them to be global citizens in an ever-changing world. The scores on standardized tests are one of many indicators that demonstrate readiness for life beyond high school.

We are educating a generation of innovators—students who are driven by ideas and inspired by innovation. Students leave high school with the academic skills that make them college and career ready, but they also leave with grit and perseverance to tackle and achieve their goals. They will become problem-solvers that empower them to approach their future with confidence, to make big and to achieve big. Our students learn in a variety of ways. They should be able to demonstrate readiness in a variety of ways. We must teach beyond standardized test scores and use multiple measures to assess and demonstrate that our students are ready to succeed in life beyond high school.

College Readiness Indicators

Students are College Ready if they meet either the location or standardized testing benchmarks listed below.

- GPA 3.0 or better in 4 or more of the following benchmarks:
  - Advanced Placement Exam (3+)
  - Advanced Placement Course (C or better)
  - Basic Credit College English and/or Math (C or better)
  - Developmental English and/or Math (C or better)
  - A level (C or better)
  - International Baccalaureate (4+)
  - College Readiness Placement Assessment

Career Ready Indicators

Students are Career Ready if they have identified a career interest and meet one of the benchmarks of the following indicators listed below. In addition, students meeting the criteria for graduation may meet the passing standard on the Armed Services Vocational Aptitude Battery (ASVAB) as well.

Career Cluster Identified and One or More of the following benchmarks:

- GPA 3.0
- 20 Hours of Community Service
- Workforce Learning Experience
- Industry Certification
- Basic Credit Career Pathway Course
- 20 or more organized Co-Curricular Activities

Redefining Ready!

College and Career Readiness for Life Beyond High School

Students are more than just the number they earn on a standardized test. Our nation’s high schools strive to provide students with rigorous academic programs, personalized and career-specific learning experiences and social and emotional skills that prepare them to be global citizens in an ever-changing world. The scores on standardized tests are one of many potential indicators that demonstrate readiness for life beyond high school.

We are educating a generation of innovators — students who are driven by ideas and inspired by innovations. Students leave high school with the academic skills that make them college and career ready, but they also leave with grit and perseverance to tackle and achieve their goals. They have the growth mindset that empowers them to approach their future with confidence, to dream big and to achieve big. Our students learn in a variety of ways. They should be able to demonstrate readiness in a variety of ways. We must look beyond standardized test scores and use multiple measures to assess and demonstrate that our students are ready to succeed in life beyond high school.

College Ready Indicators

Students are College Ready if they meet either the academic or standardized testing benchmarks listed below.

GPA 2.8 out of 4.0 and one or more of the following benchmarks:

- Advanced Placement Exam (3+)
- Advanced Placement Course (C or better)
- Dual Credit College English and/or Math (C or better)
- Developmental English and/or Math (C or better)
- Algebra II (C or better)
- International Baccalaureate Exam (4+)
- College Readiness Placement Assessment*

* Standardized Test benchmarks (minimum score)

SAT Exam: Math (TBD) | Reading and Writing (TBD)
ACT Exam: English (16) | Reading (22) | Science (23) | Math (22)

Additional Factors that Contribute to College Success

Earning As, Bs, Cs; FAFSA Completion; Enrollment in career pathway course sequence; College Academic Advising; Participation in College Bound Bridge Programs; Senior year math class; Completion of a math class after Algebra II

Career Ready Indicators

Students are Career Ready if they have identified a career interest and meet two of the behavioral and experiential benchmarks listed below. In addition, students entering the military upon graduation must meet the passing scores on the Armed Services Vocational Aptitude Battery (ASVAB) for each branch of the military.

Career Cluster Identified and two or more of the following benchmarks:

- 90% Attendance
- 25 hours of Community Service
- Workplace Learning Experience
- Industry Credential
- Dual Credit Career Pathway Course
- Two or more organized Co-Curricular Activities
